Respected Director Poorna Ma'am,  
Principal Susmita Ma'am,  
Class Teacher Aparna Ma'am,

We would like to extend our heartfelt gratitude to you and the entire team at New India School for organizing such a wonderful and well-executed Annual Social Gathering. The event was truly a memorable experience, filled with enthusiasm, talent and great coordination.

As a first-time parent attending our children's social gathering, this occasion was incredibly special for us. Watching our children perform with such confidence and joy was a proud and very emotional moment for all of us. We deeply appreciate the platform the school provides for students to showcase their talents and build their self-confidence.

The dedication of the teachers, staff, and organizers was evident in every aspect of the program, making it a grand success. Thank you once again for your hard work and commitment for providing students with such enriching experience. This event will remain a cherished memory for both our children and us.

A special mention to Aparna Ma'am, Mansi Ma'am and Aartj Tai for their dedication and continuous efforts in nurturing and supporting the children throughout the academic year, ensuring their growth and progress.

Best Regards,
